- The Suzuki Fuel Injection system with O2 feedback plus catalyzer-equipped exhaust boost fuel efficiency and minimize emissions.
- Automatic Idle Speed Control (ISC) system ensures proper engine idle speed at all times.

- Fully automatic Continuously Variable Transmission (CVT) is designed for easy operation for commuting or pleasure riding.
- Clean and quiet V-belt and gear-box directly drive the rear wheel without the need for chains or other devices.
- Eco Drive Indicator educates you on the best way to ride your Burgman for maximum fuel economy.

\*Depending on road surface conditions, such as wet, loose, or uneven roads, braking distance for an ABS-equipped vehicle may be longer than for a vehicle not equipped with ABS. ABS cannot prevent wheel skidding caused by braking while cornering. Please drive carefully and do not overly rely on ABS.
