Whether you're working hard or getting away from it all, the 2017 Suzuki KingQuad 400ASi helps you every step of the way. The fully automatic Quadmatic transmission has two and four-wheel drive modes to handle rough trail conditions while completing even the most demanding chores. Along with exceptional engine performance across the powerband, its high-performance iridium spark plug and Pulsed-secondary AIR-injection (PAIR) system helps provide outstanding fuel efficiency, and clean emissions.

KINGQUAD 400ASi FEATURES

- The fuel-injected 376cc four-stroke, four-valve engine produces efficient power and driveability.
- Suzuki's class-leading fuel injection smooths power output, especially in the mid-to-high range, and provides excellent cold starting. The system uses 3-D maps for optimum ignition, creating responsive yet environmentally compliant performance.
- Suzuki Advanced Cooling System (SACS) uses an oil cooler and thermostat-controlled cooling fan to shed engine heat during hard work or cargo hauling.
- Push-button electric starting has a start-in-gear function allowing starting without shifting to neutral (as conditions permit).
- The Quadmatic™ transmission is a fully automatic, CVT (Continuously Variable Transmission) with selectable high-low sub-transmission and reverse for maximum traction and fuel efficiency.
- Automotive gate-type gearshift lever lets you conveniently choose high- or low-range, and neutral or reverse.
- Select two- or four-wheel drive with the flip of a handlebar-mounted lever. The shaft drive system is reliable, durable, and is nearly maintenance-free.
- Torque-sensing limited-slip front differential provides maximum traction and light steering when in 4WD mode.
- An advanced engine-braking system minimizes free-wheeling with the throttle off to help control the ATV during steep descents.
- Suzuki's plush T-shaped seat delivers rider mobility during sport or difficult terrain riding. Overall length is under 82 inches (208 cm) so the KingQuad fits into a 6.5-foot truck bed for easy transportation.
- Independent front A-arm suspension offers smooth performance and remarkable ground clearance with 6.7 inches (170.1 mm) of wheel travel.
- A swingarm rear-suspension with 6.7 inches (170.1 mm) of wheel travel and twin shock absorbers provides agile handling and plush ride.
- Dual front hydraulic disc brakes feature calipers with large 34mm pistons and wide brake-pad surface area for increased stopping power and outstanding durability.
- Large, 25-inch CARLISLE tires with aggressive tread provide consistent traction in wet conditions, yet have a quiet, smooth ride on hard-packed trails.
- Lightweight and strong plastic skid plates, are sturdy to withstand trail pounding yet slippery to let obstacles slide below.
- Heavy-duty front and rear cargo racks let you take advantage of the ATV's superb load capabilities. Wrinkle paint finish on the racks and front bumper is durable and scratch resistance.
- LCD instrumentation includes speedometer, odometer, tripmeter, hour meter, clock, fuel gauge and indicators for reverse, neutral, oil, and FI.
- Automotive-style DC power outlet is conveniently located on the front fender.
- Winch-ready mounts and wire conduit make winch installation simple.
- Large 4.2-gallon (15.9 L) fuel tank provides outstanding riding range.
- Full floorboards with integrated raised footpegs provide protection.
- A variety of Suzuki Genuine Accessories are available, including winches, windshield, front and rear bumpers, snow plow, aluminum skid pans, rack extensions, utility box and more.
- 12-month limited warranty.
- For more details, please visit www.suzukicycles.com.

KINGQUAD 400ASi SPECIFICATIONS

Engine	376cc, 4-stroke, air-cooled with SACS, single cylinder, OHC
Fuel System	Suzuki fuel injection
Ignition	Electronic ignition (transistorized)
Starter	Electric
Transmission	Automatic variable ratio (V-belt), with high-/low-range, and reverse
Final Drive	Shaft drive
Suspension Front	Independent, double wishbone, coil spring, oil damped
Suspension Rear	Swingarm type, coil spring, oil damped
Brakes Front	Disc brake, twin
Brakes Rear	Drum brake

Tires Front	AT25 × 8-12, tubeless
Tires Rear	AT25 × 10-12, tubeless
Overall Length	2060 mm (81.0 in)
Overall Width	1145 mm (45.1 in)
Wheelbase	1285 mm (50.6 in)
Ground Clearance	250 mm (9.8 in)
Seat Height	840 mm (33.1 in)
Curb Weight	285 kg (628 lbs)
Fuel Tank Capacity	16.0 L (4.2 US gal)

Suzuki Motor of America, Inc. makes every effort to present the most current specifications and product features at the time of publication. Because of our policy of continual improvement, changes may be made in equipment, availability and specifications without notice or obligation. At Suzuki, we want every ride to be safe and enjoyable. Always wear a helmet, eye protection and protective clothing. Never ride under the influence of alcohol or other drugs. Study your owner's manual and always inspect your Suzuki before riding. Always supervise young riders. Take a riding skills course. For the nearest ATV skills course call the SVIA at 1-800-852-5344 and we'll even pay for the training. Along with concerned conservationists everywhere, Suzuki urges you to Tread Lightly!® on public and private land. Preserve your future riding opportunities by showing respect for the environment, local laws and the rights of others when you ride. Limited Warranty: The 2017 KingQuad 400ASi limited warranty covers a period of 12 months. See your dealer for details. Ask your participating dealer about Genuine Suzuki Accessories and the Suzuki Retail Finance Plan and the Suzuki Extended Protection Plan. With the Suzuki Retail Finance Plan it's easy to afford and equip the machine that's perfect for you. VISIT SUZUKICYCLES.COM FOR MORE INFORMATION.
