2018

QuadSport Z90

The 2018 QuadSport Z90 is the ideal ATV for adult-supervised riders age 12 and older to grow skills with. Convenient features like an automatic transmission and electric starter help make this ATV suitable for supervised riders ages 12 and up. An easy-to-set throttle limiter lets adults set the power level appropriately for young riders, and a keyed ignition switch makes sure there are no unauthorized journeys. Get your little ones started on the QuadSport Z90 so your whole family can experience the fun of the outdoors and the joy of riding a QuadSport!

QUADSPORT Z90 FEATURES

ENGINE FEATURES

- Compact 90cc 4-stroke, single-cylinder, air-cooled engine has been designed for durability and low maintenance.
- Suzuki Composite Electrochemical Material (SCEM) cylinder, derived from Suzuki's high-performance, high-mileage GSX-R sportbikes, provides durability, weight reduction, and superior heat dissipation.
- Smooth-running, multi-plate cam chain lets the engine operate quietly. Easy access to oil filter and oil strainer cap reduces service time.
- Clean-burning 4-stroke engine easily achieves Environmental Protection Agency (EPA) emissions regulations (eligible for red-sticker registration in California).
- Spark-arrester equipped muffler is environmentally friendly, yet has a pleasant exhaust note.
- Large, 1.6-gallon (6.0 L) fuel tank for long operating range combines with vacuum fuel petcock that automatically stops fuel flow when the engine's not running.
- A keyed ignition switch lets grown-ups decide when the action begins and ends.
- Simple screw-type throttle limiter allows adult supervisors to limit the maximum power delivery to suit the rider's ability.
- Speed-limiter collar in the automatic clutch limits top speed to 15 MPH. Can be removed to increase top speed as the rider gains ability.
- Easy electric starting system plus standard backup recoil starter.
- Smooth-running CVT automatic transmission provides easy operation and allows the rider to focus on riding instead of shifting.

CHASSIS FEATURES

- Child-size (Y-12) controls for easy operation.

- Single A-arm front suspension with twin independent shock absorbers and single-shock rear suspension provide long wheel travel for a smooth, comfortable ride.
- Rear axle shaft has double oil seals for long-life performance and reliability.
- Headlamp-style front piece is detachable to achieve the sporty look of the QuadSport Z400.
- Large-diameter semi-sealed front drum brakes and single fully sealed rear drum brake provide strong braking performance.
- Modern styling with full floorboards and a big Quad look, plus black and yellow bodywork with coordinated graphics.
- One-piece 8-inch wheels with tubeless tires provide a smooth, comfortable ride.
- Strong, high-rigidity steel frame is sturdy and compact.
- This machine has a low seat height of just 25.6 inches for easy mounting and confidence-inspiring operation.
- Suzuki T-shaped seat is similar to the QuadSport Z400's for smooth weight transition and a comfortable ride, and is easy to remove to simplify maintenance.
- Seat has a durable black cover that complements the ATV's graphics package.
- Competition-inspired bodywork with Solid Black and Championship Yellow color scheme.

ADDITIONAL FEATURES

- 12-month limited warranty is double the length of most other youth ATVs.
- A variety of Genuine Suzuki Accessories for QuadSport owners are available, including a large selection of Suzuki logo apparel.
- Minimum Age: 12 years old
