Champion Yellow No.2

Solid Special White No. 2

* Suzuki's fuel economy estimates are based on EPA exhaust emission measurement tests conducted by Suzuki and are intended for comparison purposes only. Your actual mileage may vary depending on how you ride and maintain your vehicles, road and driving conditions, tire pressure, engine break-in, accessories, cargo, rider and passenger weight, and other factors.

2018

DR200S

The 2018 Suzuki DR200S is the affordable motorcycle that can tackle a dirt trail or be a street commuter that gets 88 MPG with its reliable 199cc engine complete with push-button electric starting, telescopic front forks, a 3.3-gallon tank, and abundant torque. This makes the DR200S the intelligent choice for trail enthusiasts and commuters alike. With sharp, competition-like styling, a choice of Champion Yellow or Solid Special White bodywork with new, distinctive graphics, and a reasonable 33.3-inch seat height, this 278-pound cycle delivers the agile maneuverability and fun Suzuki is known for.

Your actual mileage may vary depending on how you ride and maintain your vehicles, road and driving conditions, tire pressure, engine break-in, accessories, cargo, rider and passenger weight, and other factors.

DR200S FEATURES

ENGINE FEATURES

- Ultra-reliable 199cc, air-cooled, SOHC single-cylinder engine provides just the right amount of torque and horsepower to power your ride.
- Suzuki Composite Electrochemical Material (SCEM) coated aluminum cylinder is used for durability, weight reduction, and superior heat transfer.
- Push-button electric start fires up the bike consistently, powered by a small and reliable battery.
- Digitally controlled CDI ignition system continually matches the ignition timing throughout the engine RPM range.
- 5-speed transmission with gear ratios suitable for a wide variety of riding conditions.
- Cable-operated, quick-action rack and pinion clutch design ensures light and positive operation.
- Engine power routes to the rear wheel via a low-maintenance, long-life sealed chain.

CHASSIS FEATURES

- Influenced by the high-performance style of the RM-Z series, the ergonomic design makes the DR200S a better fit to a wider range of riders enjoying the dirt or the pavement.
- Compact and sturdy high-tensile strength steel pipe frame.
- Telescopic front forks and single shock absorber rear suspension with adjustable spring preload have sufficient wheel travel of 8.1 inches both front and rear.

- Front disc and rear drum brakes deliver reliable stopping power.
- Large front and thick rear tires with special tread patterns are designed for smooth riding on and off the pavement.
- Backward-folding rear view mirrors, gearshift, and brake pedals help reduce damage from obstacle impact.

ELECTRICAL FEATURES

- Electric start system provides convenient operation and features a lightweight starter motor and a compact, maintenance-free battery.
- A 60/55 watt H4 halogen headlight can help extend your riding session.
- The taillight and turn signals match the sleek style of the seat and bodywork.
- The on-road legal lighting is complemented with rubber-mounted turn signals and horn.

ADDITIONAL FEATURES

- 12-month limited warranty. Longer coverage periods with other benefits are available through Suzuki Extended Protection (SEP).
- Genuine Suzuki Accessories for DR200S owners are available including a selection of Suzuki logo apparel.
- For more details, please visit www.suzukicycles.com.
