BURGMAN 200

Everything you thought you knew about smart commuting and exciting riding is about to change.

Taking advantage of Suzuki's most advanced technology, the compact Burgman has everything you need and more. The liquid-cooled, fuel-injected, SOHC engine is tuned for optimal performance at the low- and mid-range revs used most for commuting and exploring the town. Smooth is what you feel. Quiet is what you hear. And power and fuel efficiency are your rewards. Plush double-stitched seating and specially designed cutaway floorboards provide comfort second to none. The Burgman also features a huge storage compartment large enough for two full-face helmets. From its sleek bodywork and aerodynamic windscreen to its smooth and powerful 200cc engine, the Burgman 200 is the smart choice in scooters.

BURGMAN 200 FEATURES

ENGINE FEATURES

- Strong 200cc, 4-stroke, 1-cylinder, fuel-injected, SOHC, 4-valve engine develops seamless power across a wide RPM range.
- The Suzuki fuel-injection system with O₂ feedback plus catalyzer-equipped exhaust boosts fuel efficiency and minimizes emissions.
- The automatic Idle Speed Control (ISC) system ensures proper engine idle speed at all times.
- An efficient radiator and thermostatically controlled cooling fan help keep the liquid-cooled engine at the proper temperature even in stop-and-go traffic.
- Fully automatic Continuously Variable Transmission (CVT) is designed for easy operation for commuting or pleasure riding.
- Clean and quiet V-belt and gearbox directly drive the rear wheel without the need for chains or other devices.
- Eco Drive Indicator educates you on the best way to ride your Burgman for maximum fuel economy.*

**The Eco Drive Indicator does not automatically improve fuel economy but may help riders refine their riding efficiency and improve fuel consumption. Fuel consumption may vary depending on conditions such as the frequency of starts from stop, distance driven, rate of acceleration (throttle use), chosen speed, and maintenance.*

- Dash-mounted maintenance alert reminds you when it's time for service.

CHASSIS FEATURES

- A lightweight chassis with finely tuned suspension makes the Burgman 200 easy to maneuver in city traffic and ensures plush riding comfort.
- Telescopic oil-damped forks in the front and swingarm-style suspension on the rear make the Burgman 200's ride sporty and smooth.
- The 13-inch front wheel and 12-inch rear wheel both wear tubeless tires for reliable control.
- The 240 mm front disc with 2-piston caliper and 240 mm rear disc with single-piston caliper provide efficient braking performance.

- The standard Anti-lock Brake System (ABS)** monitors wheel speed 50 times a second, and matches stopping power to available traction.
- Ergonomically designed and wind-tunnel tested windscreen helps keep you comfortable by shielding you from wind, insects, and road debris. Vent duct located at bottom of windscreen reduces wind turbulence and increases comfort.
- Amply padded big 2-person seat with lumbar support for the rider supplies comfort even on bumpy paved streets.
- Low 28.9-inch seat height and cutaway footboards create an ergonomically comfortable riding position that is designed for an easy foot reach to the ground.
- Spacious under-seat storage can hold two full-face helmets or large cargo bags and extras. Convenient light automatically illuminates the luggage space.*
**Helmet sizes and shapes vary, so some helmets may not fit in the under-seat compartment.*
- Front bodywork contains three covered storage compartments: a large center compartment with a convenient DC power outlet for charging electric devices on the fly, and two smaller compartments above it.
- The ignition switch is fitted with a magnetic security cover that opens only with correctly coded key.
- Clear and easy-to-read instruments include speedometer, temperature and fuel gauges, high-beam and turn signal indicators, and a digital clock.

ADDITIONAL FEATURES

- Stylized Suzuki "S" 3-D emblems on the front leg shield and the upper meter panel denote the quality and sophistication of the brand.
- A variety of Genuine Suzuki Accessories for Burgman owners are available, including a large selection of Suzuki logo apparel.
- 12-month unlimited mileage, limited warranty.*
**Coverage can be increased via Suzuki Extended Protection*
- For more details, please visit www.suzukicycles.com.

***Depending on road surface conditions, such as wet, loose, or uneven roads, braking distance for an ABS-equipped vehicle may be longer than for a vehicle not equipped with ABS. ABS cannot prevent wheel skidding caused by braking while cornering. Please drive carefully and do not overly rely on ABS.*

BURGMAN 200

BURGMAN 200 SPECS

Engine:	200cc, 4-stroke, liquid-cooled, single-cylinder, OHC
Bore x Stroke:	69.0 x 53.4 mm (2.717 x 2.102 in.)
Compression Ratio:	11.0:1
Fuel System:	Suzuki Fuel Injection
Starter:	Electric
Lubrication:	Wet sump
Transmission:	Automatic Constant Velocity Transmission (CVT)
Clutch:	Dry shoe, automatic, centrifugal type
Final Drive:	V-belt
Suspension, Front:	Telescopic, coil spring, oil damped
Suspension, Rear:	Swingarm type, single shock, coil spring, oil damped
Brakes, Front:	Single disc
Brakes, Rear:	Single disc

Tire, Front:	110/90-13 M/C (55P), tubeless
Tire, Rear:	130/70-12 (62P), tubeless
Fuel Tank Capacity:	10.5 L (2.8 US gallons)
Ignition:	Electronic ignition (transistorized)
Spark plugs:	ENGK CR7EK or DENSO U22ETR
Headlight:	12V 55W (H7) x 2
Taillight:	12V 21/5W x 2
Overall Length:	2,055 mm (80.9 in.)
Overall Width:	740 mm (29.1 in.)
Wheelbase:	1,465 mm (57.7 in.)
Ground Clearance:	130 mm (5.1 in.)
Seat Height:	735 mm (28.9 in.)
Curb Weight:	163 kg (359 lbs.)
	164 kg (362 lbs.) California model

Suzuki Motor of America, Inc. makes every effort to present the most current specifications and product features at the time of publication. Because of our policy of continual improvement, changes may be made in equipment, availability, and specifications without notice or obligation.
