QUADSPORT Z90 / FEATURES

ENGINE FEATURES

- // Compact, 90cc, four-stroke, single cylinder, air-cooled engine has been designed for durability and low maintenance.
- // Suzuki Composite Electrochemical Material (SCEM) cylinder, derived from Suzuki's high-performance, GSX-R sportbikes, provides durability, weight reduction and superior heat dissipation.
- // Smooth running, multi-plate cam chain lets the engine operate quietly. Easy-access oil filter and oil strainer cap reduces service time.
- // Clean-burning four-stroke engine easily achieves Environmental Protection Agency (EPA) emissions regulations (eligible for red sticker registration in California).
- // Spark-arrestor equipped muffler is environmentally friendly, yet has a pleasant exhaust note.
- // Large 1.6-gallon (6.0-liter) fuel tank provides long riding time. A vacuum-operated fuel petcock automatically stops fuel flow when the engine's not running.
- // A keyed ignition switch lets grown-ups decide when the action begins and ends.
- // Simple, screw-type throttle limiter allows adult supervisors to limit the maximum power delivery to suit the rider's ability.
- // Speed-limiter collar in the automatic clutch limits top speed to 15 mph. It can be removed to increase top speed as the rider gains ability.
- // Includes an easy electric starting system plus a standard back-up recoil starter.
- // Smooth-running CVT automatic transmission provides easy operation and allows the rider to focus on riding instead of shifting.

CHASSIS FEATURES

- // Child-size (Y-12) controls allow for easy operation.
- // Single A-arm front suspension with twin, independent shock absorbers and single-shock rear suspension provide long wheel travel for a smooth, comfortable ride.
- // Rear axle shaft has double oil seals for performance and reliability.
- // Headlamp style front piece is detachable to achieve the sporty look of the QuadSport Z400.
- // Large-diameter, semi-sealed front drum brakes and single fully sealed rear drum brake provide strong braking performance.
- // Modern styling with full floorboards creates a big Quad look that also features new yellow bodywork with coordinated graphics.
- // One-piece, eight-inch wheels with tubeless tires provide a smooth comfortable ride.
- // Strong, high-rigidity steel frame is sturdy and compact.
- // The low seat height of just 25.6 inches makes it easy for the rider to get on and operate the ATV.
- // Suzuki T-shaped seat design is similar to the QuadSport Z400's for smooth weight transition and a comfortable ride. The seat is easy to remove for service.
- // Seat has a durable black cover that complements the ATV's graphics package.
- // Competition-inspired bodywork features the new Suzuki Championship Yellow color scheme.

OTHER FEATURES

- // Suzuki 12-month limited warranty is double the length of most other youth ATV warranties. Longer coverage and other benefits are available through Suzuki Extended Protection (SEP).
- // A variety of Genuine Suzuki Accessories for QuadSport owners are available, including a large selection of Suzuki logo apparel.
- // Minimum age: 12 years old
