Features & Specifications 2017 QuadSport Z90

New Features

- New, competition-inspired Solid Black and Championship Yellow color scheme.
- Seat has new black cover that complements the ATV's graphics package.

Key Features

- Child-size (Y-12) controls for easy operation.
- QuadSport Z90 is designed for adult-supervised riders age 12 and older includes many features that make learning to ride a safe and fun experience.
- A keyed ignition switch lets grown-ups decide when the action begins and ends.
- Remote tether-type engine-stop switch allows adult supervisors to instantly shutdown the engine when necessary.
- Simple screw-type throttle limiter allows adult supervisors to limit the maximum power delivery to suit the rider's ability.
- Easy electric starting system plus standard backup recoil starter.
- Smooth-running CVT automatic transmission provides easy operation and allows the rider to focus on riding instead of shifting.

Engine Features

- Compact 90cc 4-stroke, single-cylinder, air-cooled engine has been designed for durability and low maintenance.
- Suzuki Composite Electrochemical Material (SCEM) cylinder, derived from Suzuki's highperformance, high-mileage GSX-R sportbikes, provides durability, weight reduction and superior heat dissipation.
- Smooth running, multi-plate cam chain lets the engine operate quietly. Easy-access oil filter and oil strainer cap reduces service time.
- Clean-burning four-stroke engine easily achieves California Air Resources Board (CARB) emissions regulations.
- Spark-arrester equipped muffler is environmentally friendly, yet has a pleasant exhaust note.
- Large 1.6-gallon (6.0 L) fuel tank for long operating range combined with vacuum fuel petcock that automatically stops fuel flow when the engine's not running.

GY8: Champion Yellow No. 2

Chassis Features

- Single A-arm front suspension with twin independent shock absorbers and single-shock rear suspension provide long wheel travel for a smooth, comfortable ride.
- Rear axle shaft has double oil seals for long-life performance and reliability.
- Headlamp style front piece is detachable to achieve the sporty look of the QuadSport Z400.
- Large diameter semi-sealed front drum brakes and single fully sealed rear drum brake provide strong braking performance.
- · Modern styling with full floorboards and a big Quad look, plus black and yellow bodywork with coordinated graphics.
- One-piece 8-inch wheels with tubeless tires provide a smooth comfortable ride.
- Strong, high-rigidity steel frame is sturdy and compact.
- Low seat height of just 25.6 inches makes for easy mounting and confidence-inspiring operation.
- Suzuki T-shaped seat similar to the QuadSport Z400 for smooth weight transition and a comfortable ride, and is easy to remove to simplify maintenance.

Additional Features

- 12-month limited warranty is double the length of most other youth ATVs.
- A variety of Genuine Suzuki Accessories for QuadSport owners are available including a large selection of Suzuki logo apparel.
- Minimum Age: 12 Years Old
- For more details, please visit <u>www.suzukicycles.com</u>.
